## FAMILIES WITH CHILDREN

Families with children charter cruises are available on many of our hotel barges, with tailor-made itineraries that take into consideration the ages and interests of all those in the group. A wide range of activities can be arranged with us and some will incur a supplement e.g. go-karting. Other activities can be booked by the family group directly with the provider e.g. hot air ballooning. Baby and child equipment can be provided at no extra cost including children's bikes and helmets, car seats, cots, high chairs etc. Children under 18 receive a discount on many vessels.
